Ali Froid is an extraordinary young woman. I understand that she is hoping to be recommended by your agency as a photographer to your clients. I would like to throw my hat in the ring as someone who believes in her. As a Los Angeles acting coach, I have seen many examples of head shots from various photographers and I've been impressed by Ali's ability to fit in with the best among them. Her diligence and work ethic are strong. Since she has worked behind the camera, as well as in front of it, she understands the stress some actors may feel at a shoot. Her friendly tone and clear expertise are comforting to anyone in front of her lens. When faced with requests for changes to accommodate an actor or his representation, Ali has consistently demonstrated an ability to rise to any challenge.

To conclude, I would like to urge you to recommend her to your clients. If you have any further questions regarding Ali's ability or this recommendation, please do not hesitate to contact me.

Thanks,
